**SADC-RTGS OPERATIONAL NOTICE: 009/2019  
SADC RTGS: REPLACEMENT PROJECT UPDATE**

This notice serves to inform the industry of the South African Reserve Bank's (SARB) decision to terminate its contract with the SADC RTGS Replacement Project (SRP) service provider CMA Small Systems.

The conclusion of the analysis and design phase of the project will be delayed while we wait to confirm alignment with the new technology partner. Based on the above, the SRP is in the process of re-assessing the position and will communicate the way forward to ensure minimal impact on the work already done.
