3rd SADC-RTGS User Group meeting Luanda, Angola 01 – 03 October 2019

Communiqué No 2

General

Vaccination

A yellow fever vaccination certificate is required for travelers entering Angola.

Electricity

The Angolan electricity supply is 220/238V power plugs and 50Hz. In Angola the power plugs and sockets are of Type F, also known as "Schuko". This socket also works with plug C and E.

Type C Power Plug Adapter

Weather

The average minimum temperature in Luanda in October is 22.0°C. The average maximum temperature lies around 26.0°C. October is a dry month with an average of 23mm (0.9in) rain. An update weather forecast can be viewed at <https://weather-and-climate.com/average-monthly-Rainfall-Temperature-Sunshine,Luanda,Angola>.

Time

Angola standard time is one hour ahead of Coordinated Universal Time (CUT), and is an hour behind the Central African Time (CAT), with daylight saving time not being observed.

Currency Exchange

The Angolan Kwanza is the currency of Angola.

Foreign currency can usually be exchanged at bureau de change offices, commercial banks and hotels. Automated teller machines (ATMs) (cash machines) are available throughout Luanda. Major credit cards are accepted at ATMs, hotels, restaurants and shops.

Private transport arrangements

Delegates who require transport for private engagements should kindly request information from their hotels about the complementary services offered.
